**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I dont want a couple of monopolies running my telecom services, thats why I have Sonic. There IS a law against monopolies, and you should use it.

I dont want price hikes for the basic service I have, and I want a choice, as a consumer, to NOT have to buy a bundle.

Your agency is charged with protecting the consumer, and preventing takeovers and unfair business practices.

We pay your salaries. Do your job.
